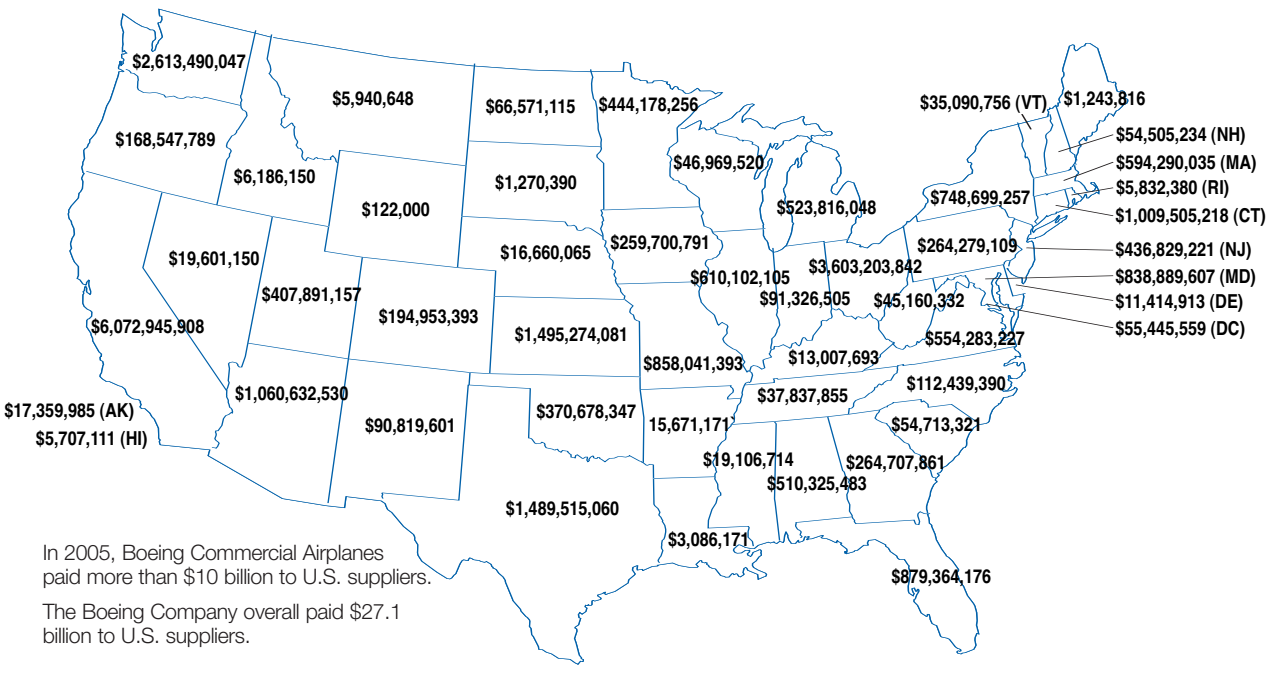
It takes thousands of American companies providing jobs in all 50 states to help Boeing build an airplane for export.

The Invisible Exporters

Boeing Purchases from U.S. Suppliers 2005

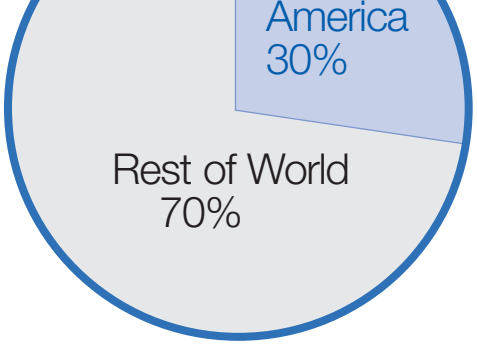


In 2005, Boeing Commercial Airplanes paid more than $10 billion to U.S. suppliers.

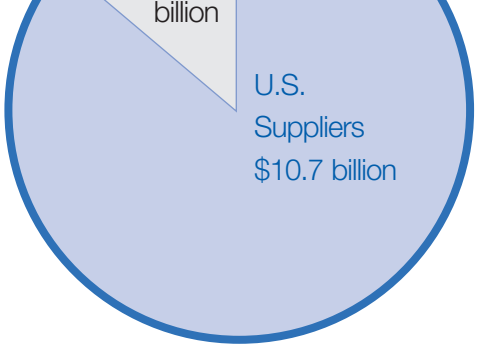
The Boeing Company overall paid $27.1 billion to U.S. suppliers.

World Commercial Aircraft Market 2004-2024

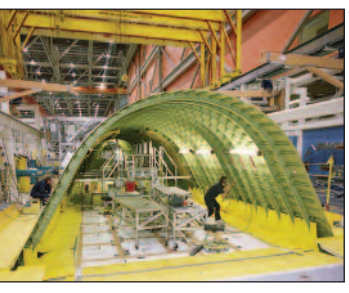
Projected Sales:
$2.1 Trillion*



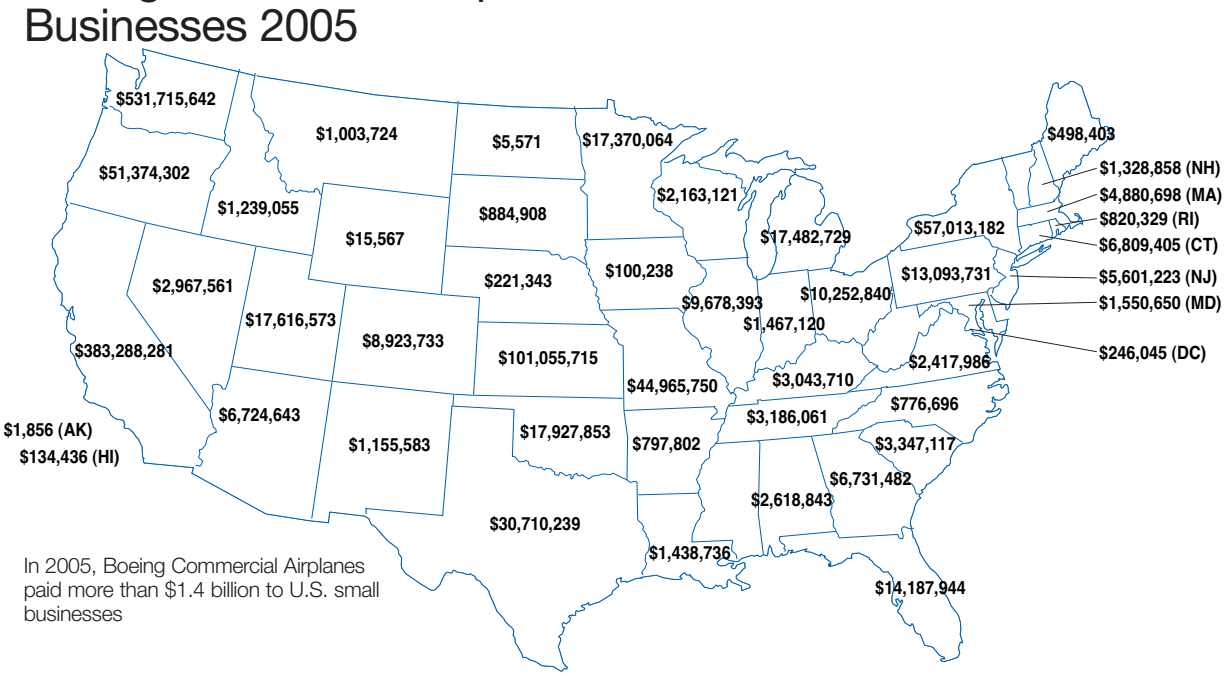
U.S. Suppliers Account for 79% of Boeing Commercial Airplanes' 2005 Purchases



*In 2004 dollars



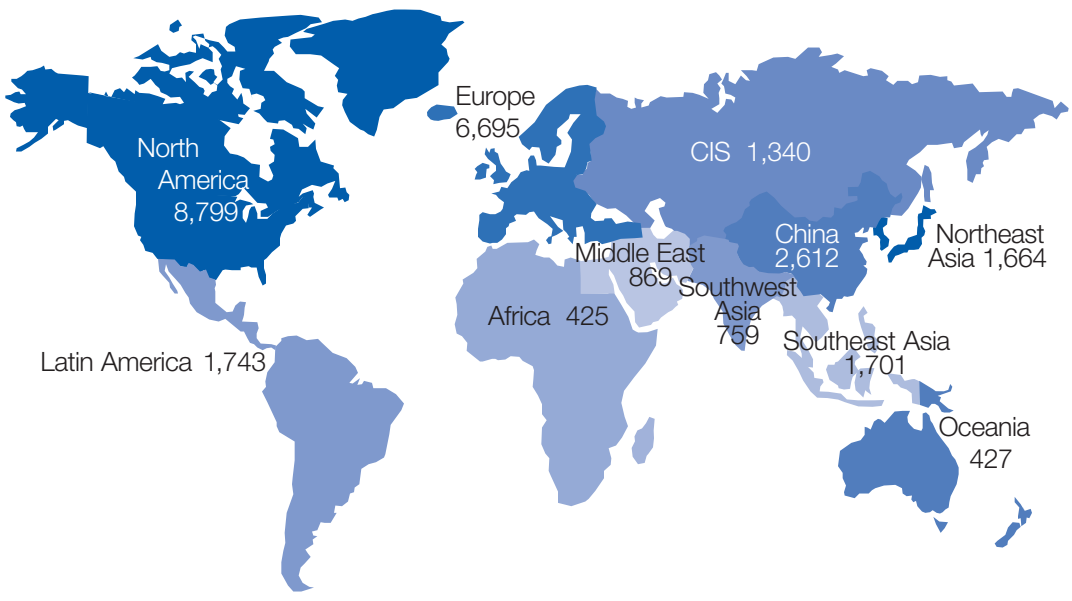
Boeing Commercial Airplanes' Purchases from U.S. Small Businesses 2005



In 2005, Boeing Commercial Airplanes paid more than $1.4 billion to U.S. small businesses

Projected Commercial Aircraft Deliveries 2004-2024

(Number of Airplanes)



BOEING

American workers in all 50 states across our country contribute to America's largest export — commercial airplanes.
