Auxiliary and Spouse/Guest Luncheon

New Day

Originally built in 1915 as an automobile manufacturing plant and showroom, the newly renovated Samuel M.V. Hamilton building offers a unique contemporary space in the heart of Center City. The Pennsylvania Academy of the Fine Arts was founded in 1805 by painter and scientist Charles Willson Peale, sculptor William Rush, and other artists and business leaders. It is the oldest art museum and school in the nation. The Academy's museum is internationally known for its collections of 19th and 20th century American paintings, sculptures, and works on paper.* Student artists will be available as well to tour the building and answer questions.

AAJ PAC Town Hall Meeting

Please join AAJ PAC for a town hall discussion with U.S. Senate candidate Al Franken.

Through his comedy, books, and radio show, Franken has been a leading voice against the policies of George W. Bush, Newt Gingrich, and many others. For two decades, Franken tackled the most important issues facing this country with biting humor and quick wit which will serve the Senate well. Following in the footsteps of the late Paul Wellstone, Franken looks to continue Minnesota's progressive tradition.
